

Clubs for Autumn Term 2023

Below is a list of the clubs available for this term. Please note that there are a limited number of places at each club. ***Tennis and Football are run by outside organisations and are enrolled separately and charge a fee, however, they are shown below for your information.** All school run clubs are undertaken voluntarily by the staff that freely give up their lunchtimes and time after school. Children are expected to commit to behaving appropriately when attending the club.

To sign up for Science, Ballet or Makaton, which run outside of school hours, please complete the Google form.. For all other clubs, children will be invited to attend and try out lunchtime clubs as they wish. We hope this allows all of the children, especially those who have not attended school clubs before, to try the clubs out. School run clubs will begin from Monday 18th September. All clubs will end by Friday 8th December 2023
