What is this Privacy Notice for?

Tannery Drift First School, as a data controller, is committed to protecting the privacy and security of personal information. We collect a lot of data and information about our pupils so that we can run effectively as a school. This privacy notice explains how and why we collect pupils' data, what we do with it, who we share it with and what rights parents and pupils have in accordance with the UK General Data Protection Regulation (UK GDPR).

How long do we keep the information?

We hold pupil data securely for specific periods, as recommended by both national and local guidelines. Certain types of data may be held for longer, e.g. safeguarding. For more information on the recommended timescales please see our detailed privacy notice.

Who do we share pupil information with?

We may share pupil information with the DfE, the Local Authority, and other bodies and organisations. We do not share information about pupils with anyone without consent unless the law or our policies allow us to do so. When we share personal data, we will provide the minimum amount necessary to fulfil the purpose for which it is required. In certain circumstances, we may transfer, store and process your personal data outside the UK or European Economic Area.

How can you request access to the pupil information we hold?

Parents and/or pupils have the right to request access to pupil information that we hold via a Subject Access Request (SAR). To make a request for your or your child's personal data, contact:

dpo@tannerydrift.herts.sch.uk

The legal timescales for the school to respond to a Subject Access Request is one calendar month. As the school has limited staff resources outside of term time, we encourage parents / pupils to submit Subject Access Requests during term time and to avoid sending a request during periods when the school is closed or is about to close for the holidays, if possible. This will assist us in responding to your request as promptly and fully as possible. For further information about how we handle Subject Access Requests, please see our Data Protection Policy, which can be found on the school website.
