SMALL WORLD

A wooden shelving unit with a sign on the left side. The shelves contain several white plastic trays, some of which hold small toys and objects. A red toy train engine is visible on the top surface of the unit.

WORK IN PROGRESS

A larger wooden shelving unit on wheels, divided into many small compartments. The shelves are filled with various toys, including wooden blocks, cylinders, and baskets. A wicker basket sits on the top surface. A yellow sign with black text is placed on the top right. A framed sign on the wall above reads "every day is a fresh START".

Sometimes we learn and play in our Year 1 garden.

This is where we put our water bottles and packed lunch boxes.

The class
toilets are
near the cloak
room.
