Welcome to Nursery Year 2026/27

Enjoyment – Achievement – Respect

First Day Poem

Oh no! It's here!
The first school day,
But please don't fear,
We want to say . . .

There may be tears, but soon they'll dry,
And 'Hello Mum' will replace 'Goodbye'.
We want your child to love our school,
With caring at its heart.
In learning, sharing, having fun,
We all can play a part!

Seven areas of learning and development in the EYFS:

The three prime areas are crucial for igniting children's curiosity and enthusiasm for learning:

Communication and Language

Personal, Social and Emotional Development

Physical Development

The three prime areas are strengthened and applied through the four specific areas:

Literacy

Mathematics

Understanding the World

Expressive Arts and Design

Start of the school day:

- Please wait under the canopy until the door opens at 8:30am
- Place lunch boxes on the trolley and bag in labelled baskets
- Give your child their water bottle and coat
- Say your goodbyes
- Your child will put their things away and get busy playing
- The door will close at 8:45am

Staggered start:

- Your child will attend 3 x 3 hour sessions
- If your child is having lunch, session 2 and 3 will have a 12:30pm pickup
- Time to get to know each other
- Quieter sessions
- Time to explore the environment

Nursery session includes:

- Play:
  Courtyard and classroom
- Adult-led:
  Maths, phonics
- Rhyme time:
  Small group adult-led
- Play:
  Garden and classroom
- Rolling snack
- Story time using our key text
- Lunchtime

Lunch:

- Children eat with their friends in the dining room with Ladybird adults
- School lunch pre-ordered and paid for on Schoolgrid
- Packed lunches should be healthy and balanced
- We are a nut free school
- Children explore the garden after lunch

Rolling snack:

- Children are offered a healthy snack in school, which is available throughout the morning and afternoon
- They build up food preparation skills by cutting and spreading as well as lots of talk around healthy eating
- We provide seasonal activities such as, making pancakes

Please regularly update us with changes to your child's allergies.

Tapestry:

- An online learning journal system
- Staff record children's progress and activities using iPads
- Photos, videos and observations are uploaded onto an online app regularly
- Share your child's home learning and achievements

Maximising your child's potential:

- Being on time for school every day
- Attending every session, avoiding term time holiday
- Establishing good routines at home
- Showing a positive interest in your child's learning
- Encouraging your child to take risks and experience failure so they develop perseverance and resilience
- Encouraging your child to develop their independence and praise their efforts
- Engaging in school life with your child

Independence:

- Have a go at putting on their own shoes and coat
- Wash and dry their hands by themselves
- Increasingly able to use the toilet

The following website has useful information to support you with this:

www.nhs.uk/conditions/pregnancy-and-baby/potty-training-tips/

Sharing learning with parents:

- Parents information session in October
- Tapestry
- Two Parents Evenings
- Termly Open Classrooms
- Staff available to talk at the end of the nursery session
- Opportunities for parents to engage with learning

Coming to School:

PLEASE LABEL EVERYTHING!

- Wearing school uniform with indoor shoes to change into
- Bag with spare clothes for their peg
- Named school water bottle
- Tannery Drift book bag
- Wellies and a mud suit that can be left at school for outdoor learning

Green books:

- Children settle well and enjoy having their home reflected in Nursery
- These are a well-used resource across the year

Medication in school:

MEDICATION:

- All medication must have a form completed at the office

ASTHMA:

- An inhaler, in it's original packaging, will be kept in school

ANTIBIOTICS:

“The youngest children listen attentively, work hard and try their best to get along with each other.”

“Strong emphasis on vocabulary development begins in the early years, where skilled staff facilitate this process well. As a result, children are articulate and develop essential skills, such as engaging positively with their peers.”
